Dear Admiral Sanders:

I would like to express my sincere appreciation to you and Captain G. G. Palmer, USN, your Chief of Staff, for the fine spirit of cooperation and assistance recently rendered to the Security Officers of this Agency who were providing security support to General Mark Clark's Committee.

I would like to commend particularly Lieutenant Richard J. Diaz, USNR, who made transportation and other facilities of your command available to our Security Officers for the protection of sensitive classified material concerning this Agency. Lieutenant Diaz, although caused considerable personal inconvenience, rendered support which aided immeasurably in the smooth functioning of this activity.

Thank you again for your cooperation in this matter.

Sincerely yours,
